

The background of the poster is a vibrant space scene. In the upper left, a purple planet with rings is visible. To the right, a blue and purple spiral galaxy glows. In the center, a sleek white and purple spaceship with blue engine flames is flying towards the right. Below it, the Earth is partially visible. In the lower left, a blue cleaning cart is filled with various cleaning supplies: a long-handled brush, a spray bottle, a bottle of liquid, and a blue cloth. The cart has a yellow warning sign on its side. The entire scene is set against a starry black sky.
